CLIPACORE Boss Core Drill

8205CLI1040

The Boss diamond core drill is manufactured from the highest quality using German engineering standards and components. The Boss cuts core holes at a maximum drilling diameter of 152 mm through bricks, concrete blocks and much more consistently delivers high hole cutting performances with safety constantly in mind.

Part Code	Voltage	Price (£)
8205CLI1035	110 v	495.00
8205CLI1036	230 v	495.00

The unique quick release adaptor on the end of the core drill allows fast interchangeable core bits without the need for tools when used with Clipacore core adaptors. The quick-release extension bar supplied with every core drill ensures most wall depths can be fully penetrated with ease. Drill, extension bar and drill adaptor only, no cores included.

- 1 year Manufacturers Warranty
- Supplied with protective metal case
- The typical hand-arm vibration is below 2.5 m/s²
- To protect the user, motor and drill bit, the Core Drill is equipped with a mechanical, electrical and thermal overload protection.

Clipacore Xpresscut Pro 5 Core Kit c/w Adapters & Clips

8205CLI1040

The Xpresscut Pro 23-piece case kit is a world's first compact all in one dry diamond core set and comes with all the Clipacore adaptors you will need and 5 core bits 42mm\52mm\65mm\117mm\127mm.

The barrels are spiralled and slotted for fast removal of dust and to protect the diamond tips from overheating.
