GRUNDFOS

Grundfos UPS4 Alpha2 Go & Alpha2 Go 25-75 & FCI Adaptor

Fast replacement: With these two circulator pumps on your van, you can complete most circulator pump replacements at your first customer visit, which gives you more time for other tasks.

Accurate commissioning: With the GO range and the Grundfos GO app's Guided Setup, Grundfos have made it simple to find the correct control mode and the correct setpoint, resulting in high customer comfort, fewer call-backs and reduced energy consumption.
